The group meet every Sunday, 14.00 – 16.00.

### Activities

1. Organize weekly meetings to report activities and share information and support among members
2. Set up relationship with people with HIV/AIDS; undertake counseling on HIV prevention
3. Provide care to members who are full-blown AIDS patients
4. Consult members with ARV treatment

The group wishes to receive more financial and technical support in order to be better involved in HIV/AIDS activities.
